### Mercury Hits Weekend High

Thursday, Friday, Saturday and Sunday were the hottest August 13, 14, 15 and 16 in Gettysburg in the last 15 years.

The thermometer reached 94 degrees on Friday, Saturday and Sunday and hit 92 on Thursday.

The previous time the four days recorded 90 degrees or better for four days in a row was in 1944 when the record for the 13th through 16th respectively was 96, 95, 96, 96.

However, such extremely high temperatures are relatively rare over a four-day period. The records show that from 1903 up to now August 16 had temperatures in the 90s, 16 times, seventeen August 13ths saw 90 degree or better on 13 occasions out of the 56 years, August 14 and August 15 each had 90 degree temperatures. Mostly the temperatures on the four days were in the 80s, and in nine years they were in the 70s.

### Baby Of Deaf Mutes Is Saved From Burning Home

CLEVELAND (AP) — James Pfaff didn't know there was a 3-year-old boy in the bedroom the first time he went into the burning house.

All he knew was that a frantic couple—both deaf-mutes—needed help. They had led him to the bedroom window and pointed.

Pfaff, 31, and his wife, Susan, were driving past when they saw John Biven and his wife gesticulating outside the house in suburban Olmsted Falls Sunday.

Pfaff went in through the window but was driven back by smoke.

By then his wife had gotten one word from Mrs. Biven. The deaf-mute, who had learned to produce sounds approximating words, was near hysteria, but Mrs. Pfaff understood one word, "crib."

"There must be a baby in a crib," she told her husband.

Pfaff went back in. Finally he found Scott Biven huddled unconscious in a corner of the crib, found the window again and, half falling, half leaping, brought the boy out.

The father, who was badly burned getting out of the house, explained by sign language he had thought his wife was bringing Scott out. His wife had thought he was bringing the child.

Scott and his father were admitted at Southwest Community Hospital. The boy, who can see and hear, was treated for smoke inhalation.

Pfaff, of Chicago, was treated for cuts and burns on the hands.

## Fire First In Series Of Nike-Asp Research Rockets

WASHINGTON (AP) — The United States launched the first in a series of new Nike-Asp research rockets today. It left a yellow-orange cloud that was visible over much of the Eastern seaboard.

The rocket was fired from the National Aeronautics and Space Administration station at Wallops Island on Virginia's Eastern Shore and emitted a 100 - mile sodium vapor trail beginning at an altitude of about 50 miles. It was topped by the large cloud that was yellow-orange in color.

NASA said the rocket had two objectives:

1. To determine wind direction and velocity over the wide range covered by the trail and cloud.
2. To measure diffusion or the rate at which matter spreads out in the upper atmosphere.

Weather bureaus from New York to Virginia had received telephone calls early this morning from people who had spotted the strange cloud. The rocket was launched at 5:18 a.m. and its trail and cloud were visible about 30 minutes.

NASA cameras on the ground tracked the vapor. The data will be collected by the Geophysics Corp. of America and turned over to the space agency.

The yellow color of the giant flare is characteristic of burning sodium. It was set off by a thermite device when the rocket reached an altitude of about 50 miles.

## WILL FLY MAIL IN A BALLOON

Donald Piccard, son of the famed Swiss balloonist, Jean Piccard, will take off in a 40 foot balloon today from Lafayette, Ind. to see if he can do what a Lancaster balloonist failed to do a century ago.

One hundred years ago today John Wise, of Lancaster, who several times flew his balloon out of Gettysburg in the 1850s attempted the first air mail flight.

With 123 letters aboard his "Jupiter" balloon, he attempted to fly the mail from Lafayette to New York. The flight, now officially called the first airmail flight in the U.S., actually ended a few miles from Lafayette.

Piccard today has 123 letters and a balloon, the Jupiter II. He hopes to make it to New York. Wise was well known in Gettysburg slightly over a century ago when Col. John McClelland, owner of what is now the Hotel Gettysburg, wagered he could fly a balloon. Wise let McClelland take off a few feet, holding onto a rope attached to the balloon to keep it under control. The colonel cut the rope and eventually came down near York.

## New Segregation Effort May Face Court Battle

LITTLE ROCK, Ark. (AP)—A brand new weapon was unveiled in the Little Rock school battle today — segregated classes in an integrated school.

School officials re-scheduled classes for Ann McLeod, one of 700 white students at Hall High, so she won't have to sit with any of the three Negro girls who integrated Hall last week.

Ann's father, attorney John A. McLeod Jr., invoked a little-noted state law to get segregated classes for his daughter. School officials agreed the law, passed with a batch of other segregation measures in the 1958 special legislature, was valid. The law says no student can be forced to sit in the same classroom with a person of another race.

An attorney for the National Assn. for the Advancement of Colored People, Wiley Branton of Pine Bluff, said the NAACP would go to court to fight any attempt to

segregate Negro students in class. He said the U.S. Supreme Court had ruled in an Oklahoma case that a Negro, once admitted to an integrated school, could not be segregated within the school.

School Board Secretary Ted L. Lamb said McLeod's request was the only one received so far. He said he hoped not many others would follow.

## EISENHOWER GIVES DAVID GOLF LESSON

By DOUGLAS CORNELL

"Right hand like this," said President Eisenhower.

Grandson David was getting a lesson from one of the more prominent golfers of the nation. But either something was wrong with the coaching or the execution, for David promptly swatted the ball off collie to the right of the green.

Or maybe it's just that David let's it be known that he likes baseball better than golf.

The President and his 11-year-old grandson were up early today and starting nine holes at the Gettysburg Country Club by 7:40. It looked as if the youngster, who looks more and more like his grandfather, had borrowed a straw hat from the chief executive.

Anyway, he was wearing a tan straw embellished with a brown spiral — the same type the President has worn on the links on several occasions.

Eisenhower was in tan slacks and sports shirt, while David supplied high visibility along the fairways with a bright red shirt and grey slacks.

Both got off fairly decent drives, and then set out. David was at the helm of Eisenhower's blue electric golf cart.

Starting on the ninth hole, the President was down the middle with his tee shot and five yards off the green with his second. He was on in three but needed two putts for a bogey five on the 41-yard hole.

David's third shot was 20 yards off the green. Eisenhower came over, picked out an iron, and showed David how to use it, with "Right hand like this."

David's effort after the coaching veered off to the right, a few feet of the green.

"Keep your head down," the President instructed, as David sized up the next shot. "Don't look up."

Something went wrong there, too.

"Take it over," Eisenhower suggested. "Hit behind it. Like this."

Grandpa demonstrated again. Eventually, David holed out in nine.

### "HONEYED WORDS"

Beware of those who always fill... your ears with honeyed words... the ones who let the praises fly... like frightened flocks of birds... the folks who smile when face to face... then talk behind your back... look out for those and always be... on guard against attack... this life is filled with people who... do not mean what they say... and so they coat with honey... words meant only to betray... the trouble is it's hard to catch... because they are real diplomats... and use a lot of tact... but treachery lurks when honeyed words... are flying fast and thick... and we must be on guard against... some underhanded trick.

## 49ERS WIN ON 16 YARD PASS BY Y. A. TITTLE

By MIKE RATHET

Associated Press Sports Writer

Y. A. Tittle, San Francisco's balding quarterback with a penchant for last-second heroics, is a leading exponent of the blitzkrieg attack in the National Football League.

Four exhibition games were played during the weekend. Each was a heart-palpitator. Each was a toss-up. Each was won in the last period with electrifying plays.

Tittle's was the most prominent example of the blitzkrieg and the most dramatic.

The 49ers trailed Washington 24-20 Sunday. The stadium clock showed 59 seconds remaining. Tittle began to formulate moves. The 13-year pro veteran picked rookie Paul Lowe of Oregon State for the yeoman's share of the running duties. The 178-pounder responded with a key 40-yard scamper.

Sixteen-yard Pass

Nine seconds remained four plays later. Tittle had his forces massed on the Redskins 16. He faded back, picked out end Clyde Conner and fired a pass for the touchdown that gave the 49ers a 27-24 victory in their debut under new Coach Red Hickey.

It was the same story Saturday. Zeke Bratkowski's toss to Rick Casares with 41 seconds remaining gave the Chicago Bears a 19-16 victory over Green Bay. John Crow went 71 yards for a TD in the final three minutes as Chicago's Cardinals edged Detroit 21-19. A 43-yard jaunt by Walt Kowalczyk midway of the final period provided the winning margin as Philadelphia defeated New York 21-17.

## Fly Serum 1,300 Miles To Save Man Bitten By Cobra

ST. JOSEPH, Mo. (AP)—A 4-foot-long Indian cobra bit an employee of a reptile garden near here Sunday. He may live because of a dramatic 1,300-mile flight from Miami, Fla.

The Coast Guard and the Air Force flew anti-cobra serum from Miami to St. Joseph after William White, 32, was bitten. The serum was administered six hours later.

A single drop of cobra venom can be fatal. Usually it takes only four hours to kill, said William H. Haast, operator of the Miami serpentarium.

But the cobra's fangs pierced a sack of heavy material before they hit White on a thumb. The bag apparently absorbed some of the venom.

Bitten 100 Times

A hospital attendant said White, who has been bitten about 100 times by non-poisonous snakes during his four years at the reptile garden, remarked as the serum was injected "I knew all the time I'd be okay."

A few minutes after midnight, Dr. C. C. DuMont said White's condition was satisfactory.

"He has a chance to recover," said Dr. DuMont. "I think he'll be okay."

After White was bitten, a telephone call was made to the Miami serpentarium.

CAIRO (AP) — Restoration of formal diplomatic relations between Jordan and the United Arab Republic has spurred new efforts to patch up quarrels splitting the Arab world.

The final step in healing the breach between U.A.R. President Gamal Abdel Nasser and King Hussein of Jordan was announced Sunday. The foreign ministry said the U.A.R. has approved Mohamed el Shariky as Jordan's new ambassador in Cairo. A new U.A.R. ambassador to Amman will be named soon.

KANSAS CITY, Mo. (AP) — Jack Anderson, 27, was ready to pull out of a driveway with a truckload of furniture when a 2,300-volt power line broke and fell across the truck cab.

LITTLE ROCK, Ark. (AP) — A man often accused of fomenting violence in Little Rock's 1957 integration crisis has joined a church and says the racial issue is now unimportant.

MIAMI, Fla. (AP) — Two men and their not-so-faithful dog are in the lockup today, charged with robbing telephone coin boxes.

Detective Mike O'Brien said the German shepherd stood watch for Lynn Waldon Swink, 21, and Robert Richard Banks, 22.

## Steel Strike At A Glance

By The Associated Press

Idle — Some 500,000 striking United Steelworkers remain idle as the strike goes into its 34th day. The unemployment rolls in allied industries approaches the 150,000 mark.

Negotiations — Joint talks between the industry, the USW and federal mediators resume today in New York. Union president will continue to remain away from the talks indefinitely.

Washington developments — George D. Aiken of Vermont and Jacob Javits of New York, both Republican senators, want President Eisenhower to make public a report by his personal fact-finder, James P. Mitchell, the labor secretary.

Losses — Continue, mount daily. Industry production losses estimated at 300 million dollars weekly. Some 70 million dollars a week is being lost by the strikers.

Issues — Union wants a 15-cent-an-hour annual wage increase and improved fringe benefits. Industry says it would cause a rise in steel prices which would result in inflation should they give in to the demands.

The American Medical Assn. cites apathy as one of the major causes of inadequate diets.

## Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

### ONE HUNDRED YEARS AGO

The interior of the new courthouse is nearly finished and the court will be held in it this week. The Court-room presents a beautiful appearance, and will no doubt please the taste of our country friends, many of whom will this week visit it for the first time. The building is quite an imposing structure, and reflects great credit on all concerned in its erection. The granite steps, &c. in front add very much to the appearance. A flight of solid granite steps is also at the rear entrance.

The formal opening of the Western Maryland Railroad, from the Relay House on the Northern Central Railway to Owning's Mills, took place on Thursday last. There were quite a number of persons present, among whom were several of our citizens. The whole party, after passing over the road, dined at the Green Springs and after dinner toasts were drunk and responses given. Among the speakers were David Wills, Esq. and Hon. Edward McPherson, of this place, and Mr. Taylor, one of the contractors. The festivities were kept up till 8 o'clock.

Our clever friend, Mr. John Kimes, laid on our table a day or two ago, some very choice specimens of fruit, from his Nursery, of admirable quality. They were the Burdyle Dwarf Pear, the German Prune, the Orleans Sugar Plum and the Siberian Crab Apple, for preserving. We thank him for the agreeable present. He tells us he has a large quantity of Trees of this fine fruit for sale at his Nursery, as well as every other variety.

**The Labors Of Hon. Edward Everett:** The August number of Eclectic Magazine, in speaking of Hon. Edward Everett, gives on account of his labors in connection with the Mount Vernon fund. His Washington Oration was first delivered February 22, 1856 and has been given since then one hundred and twenty-nine times, yielding \$55,783.62. For the "Mount Vernon Papers" in the New York Ledger he received \$10,000, and in other smaller sums making a contribution to the Mt. Vernon fund of \$68,163.56. In addition to his other labors for this object, he has delivered lectures for other benevolent associations, making a total of more than ninety thousand dollars, in a little more than three years. It is to be understood too that Mr. Everett has traveled many thousand miles, and defrayed all his expenses from his private purse. He has done this, too, when much occupied with private and public affairs, and frequently in delicate health. No man, we are confident, ever before did so much for noble objects in so short a time.

**SEVENTY-FIVE YEARS AGO**  
**Bridge Contracts:** Mr. J. M. Pittenbarger declined the contracts for the building of the bridges at Lilly's Mill and Gitt's Mill, both on the Little Conowingo, the County Commissioners have awarded them to Mr. Joseph J. Smith, the next lowest bidder, the former at \$1,077.37 and the latter at \$874.62.

The contract for the building of the bridge over Big Conowingo, above Arendtsville, was on Saturday given to Mr. Samuel Stouffer, of York, at \$558.58.

The "Athenaeum" boys returned on Saturday from their week's camp at Dick's dam, have had a delightful time. They desire us to acknowledge their indebtedness to Col. Bonaffon, of the 3rd Reg. N.G.P. for his kindness in loaning them a large mess tent for the week.

**Meeting Of Classis:** Gettysburg Classis of the Reformed Church met in this place on Wednesday. Rev. H. H. Sangree was received into membership from the Juniata Classis and Rev. Walter Krebs from the Lehigh Classis. Rev. H. H. Sangree will be ordained.

## Today's Talk

### PRODUCE! PRODUCE!

Production is the key to prosperity, providing that you produce something useful, and what people want — especially something that helps to make life easier and more enjoyable. Said Thomas Carlyle: "Produce! Produce! Were it but the pitiful infinitesimal fraction of a product, produce it, in God's name! 'Tis the utmost thou hast to thee. Out with it, then. Up up."

Each of us possesses a production factory — if we learn to use it. I refer to the human mind. How infinite in power it is! How noble in concept, one of God's great gifts to man. Who could produce without it? Where else could we look for the inspiration to attempt the heights?

A nation that fails to produce soon dies as a force in human activity. It is the same with each one of us. Nature is always producing. That is why we live in a world of contrasts — to give hope and desire to store in the heart. A full mind is like the full barn bulging with grain and produce from the fields.

Thomas Edison could not find time in which to be idle. Quickly, from one invention to another he produced, over and over again, to the last mile! What a satisfying life to have lived as he did! We must keep learning more and more about ourselves, so as to grow in efficiency, wholesome desires, and the urge to be someone, and to go far.

People who create and produce never turn into idlers. They become "men of the hour," leaders, and nation builders. Produce! Produce!

Tomorrow Mr. Adams will talk on the subject: "Lights and Lamps"

### WHAT HE'D THINK

"Oh, will you think of me," she said,  
"When I am far away from you,  
When I am resting by the sea  
And bathing in the ocean blue?  
Oh, will you think of me, my dear,  
As I shall think of you each day,  
Or will I be forgotten quite  
Because I am so far away?"

Oh, I will think of you," he said,  
"When you are resting by the sea  
And I am left at home to toil  
With no one here to care for me.  
Yes, I will think of you each day,  
With thoughts of you my head will bring,  
For I'll be wondering every day  
Just who is teaching you swim."

**A daring highway robbery** was perpetrated on Monday night a week ago on Mr. Joseph Gudden, huckster, of near White Hall, on the turnpike between Westminster and Union Mills, Md. To gain time he ships his marketing from Westminster by rail to Baltimore. While returning home with his team at 11 p.m., a robber unnoted entered his wagon from behind, laying hold of Mr. G's arms and pulling him back, while two others were at the side of the wagon. One entered the front with a knife, demanding his money or his life, at the same time cutting open his coat and vest with the knife, grazing the skin. They relieved Mr. Gudden of about \$20 and escaped.

### Is Ended By Death

**SOUTH GATE, Calif. (AP)** — Last year an auto accident wrecked the wedding plans of Geraldine Neff — just one night before the marriage was to take place.

Geraldine was to marry John Fulton of nearby Compton on June 29, 1958. The night before the wedding Fulton was involved in an accident en route to a bachelor party. He was left permanently paralyzed. About three months ago he broke off the engagement.

Two months later, the 19-year-old South Gate girl became en-gaged to Cecil Roberts of Chino, Calif.

Last Friday night, driving alone near Las Vegas, Nev., Miss Neff made a U-turn and crashed into another car.

She was to have married Rob-erts Saturday. But she died in the crash.

**NORFOLK, Va. (AP)** — What made Pasquale Trimboli make his first trip away from New York in half a century by airplane?

"Because I'm a crazy man — crazy," said the 98-year-old re-tired home builder with a grin as he embraced his surprised daughter Sunday at the Norfolk airport.

Trimboli and his wife, 96, made the plane trip to see their daugh-ter and three grandchildren. They will spend a week in Portsmouth, then return to their Cedarhurst, L. I., home by plane.

After that? "Certainly more travel," said Trimboli.

BRAVES SPLIT;  
GIANTS, BUMS  
ARE DEFEATED

By JOE REICHLER

Associated Press Sports Writer  
Ernie Banks, Chicago's slugging shortstop, may become the first player in National League history to be voted the circuit's most valuable player in two years in succession.

Two National Leaguers — Stan Musial and Roy Campanella — won the coveted honor three times and two others — Rogers Hornsby and Carl Hubbell — won it twice but nobody has done it twice in succession.

Banks strengthened his claim Sunday, banging a two-run homer — his 36th of the season — as the Cubs defeated the San Francisco Giants 5-4 for their third victory in the four-game series. Ernie also was on base when Lee Walls smashed a three-run homer off loser Johnny Antonelli to break a 2-2 tie.

## Leads Both Leagues

Ernie, batting .312, leads both leagues with 112 runs batted in and is tied for the lead with Washington's Harmon Killebrew in home runs. Last year he led both leagues with 47 home runs and 129 runs batted in.

Despite the defeat, the Giants retained their 2½ game lead over Los Angeles when St. Louis defeated the Dodgers 5-3. Milwaukee's third place Braves split with Pittsburgh, winning the second game of a doubleheader 5-2 after the Pirates had won the opener 2-1. Philadelphia swept a twin bill from Cincinnati 8-5 and 6-0.

## Unexpected Starter

Banks was an unexpected starter. He had been hit on the back by a pitch Saturday and doctors said it would be several days before Ernie would be able to play.

Bob Anderson was the winner but he needed help in the eighth inning from Don Elston, who struck out pinch hitter Felipe Alou with two runners on base. Willie Mays drove in two Giant runs with his 21st homer.

Larry Jackson pitched a 10-hit game as the Cards evened the four-game series with Los Angeles. Bill White and rookie Gene Oliver drove in all St. Louis' runs. White knocked in two with a single and his 11th homer. Oliver had a two-run single and a sacrifice fly. Roger Craig was the loser. Four were ejected in the argument-filled game, manager Solly Hemus, Don Blasingame and Ken Boyer of the Cards and Duke Snider of the Dodgers.

## Friend Wins 100th

Bob Friend, after seven failures, finally won his 100th game, fifth of the season. The Pirates' 22-game winner of 1958 was tagged for 11 hits in the opener but his mates helped him with three double plays and relief pitcher Bob Porterfield came to his rescue in the ninth when the Braves got their lone run. Dick Stuart drove in both Pittsburgh runs off Juan Pizarro with a homer. Warren Spahn won the second for the Braves, doing out eight hits by his 16th triumph. Rookie Lee Maye and Frank Torre, with two hits and two runs each, paced the Braves' nine-hit attack.

Shortstop Joe Koppe hit a three-run homer to feature a six-run sixth inning attack in the first game and Don Cardwell pitched a six-hit shutout in the second game to highlight the Phils' double victory over Cincinnati. Wally Post's 15th homer, with a man on base, in the first inning, off loser Jay Hook, was all Cardwell needed.

REDSOX, YANKS  
SPLIT; WHITE  
SOX DEFEATED

By JOE REICHLER

Associated Press Sports Writer  
They laughed last winter when Boston owner Tom Yawkey traded Jimmy Piersall, his flashy center fielder, to Cleveland for Gary Geiger, a nondescript flycatcher and Vic Wertz, a fading first baseman.

Joe Cronin, then the Red Sox general manager, and Mike Higgins, then the field manager, were in no mood for laughter. They were quite upset when Yawkey informed them of the deal — the first and only one he ever made.

"It's your club," was the substance of their lukewarm acceptance of the boss' trade.

"I'll take the responsibility," said Yawkey.

The Red Sox owner can take the bows today for one of the best player transactions ever made by the club.

## Play Key Roles

Geiger, only 22, has easily been the happiest development in the Red Sox' rebuilding program. The fast-developing youngster is hitting .279 with 10 home runs and 38 runs batted in. Wertz, though hampered by injuries, is hitting .280 with seven homers and 45 runs batted in. Piersall, who lost the regular center field job in Cleveland to Tito Francona, is hitting only .240 with three home runs and 21 runs batted in.

Geiger and Wertz played key roles in the Red Sox' near-sweep of a four-game series with the New York Yankees. It wasn't their fault that the Yankees won the second game Sunday, 4-2, after the Red Sox had won the opener, 6-3.

## Beat White Sox

Kansas City defeated Chicago 7-2 and narrowed the White Sox' first place lead over Cleveland to three games. The Indians lost an opportunity to pick up more ground when a violent rainstorm in Detroit postponed their game in the second inning after they had scored five runs in the first. Washington whipped Baltimore 6-1.

The Red Sox scored all their first game runs and made all their hits — six — in the second inning, inflicting the seventh loss upon Duke Maas. Wertz ignited the six-run rally with a single. Geiger drove in the run that broke a 3-3 tie with a single.

## Stage Rally

The pair, whose homers had highlighted Boston's winning nine-run rally against the Yankees Friday night, acquitted themselves nobly in Sunday's second game. Trailing 3-1 in the sixth, the Red Sox came within an eyelash of tying the score. Geiger opened with a single, his third hit. After Pete Runnels singled, Wertz drove Geiger home with a long single, sending Runnels to third. Jackie Jensen smashed a grounder toward left field but shortstop Cleto Boyer converted it into an inning-ending double play with a fine stop.

Mickey Mantle provided the lusty hitting for New York. He drove in two runs with a home run, his 24th of the season, in the first inning and scored in the eighth after walloping a double off the bleacher wall, 461 feet away.

## Garver Wins Ninth

Home runs by Bob Cerv, Preston Ward and Russ Snyder helped veteran Ned Garver gain his ninth victory as Kansas City made it two in a row over the White Sox. Dick Donovan, making his first start for Chicago since he suffered a shoulder injury July 21, was the loser.

Three Baltimore errors prevented Washington with all but one of its six runs. Loser Jerry Walker gave up nine hits including a triple and single by catcher Clint Courtney, who drive in two hits for his 11th victory. The Senators played without home run leader Harmon Killebrew who hurt his right wrist crashing into a wall Saturday night.

Arentsville, regular season titlists, spotted Jefferson a 2-0 lead after two innings and then came from behind for an easy 12-2 victory on the Arentsville field Sunday afternoon. The winners collected a total of 15 hits which included a homerun by J. Finck. Dick Pitzer limited the losers to seven hits.

Mummasburg scored 11 runs in the first inning on seven hits and three walks and went on from there to trounce Hunterstown 22-3 on the winner's diamond. J. Slaybaugh, the winning hurler, led his team's attack with three hits. C. Hankey and Dutera collected two hits each for Hunterstown. Reichert, starting hurler for Hunterstown, gave up five hits and three walks in the opening frame to be charged with the loss. Bill Hankey hurled the next four innings and R. Miller finished up for the losers.

Bonneauville nipped Greenmount 5-3 at Bonneauville despite 17 strikeouts by Lefner, Greenmount hurler. Withrow was the winning moundman.

CARDS COULD  
BE SLEEPER IN  
PRO GRID LOOP

By CHARLES CHAMBERLAIN  
Associated Press Sports Writer  
LAKE FOREST, Ill. (AP) — The Chicago Cardinals will field a vigorous, young team this season that could be the sleeper of the National Football League.

Cochman Frank Ivy's tentative three-deep roster includes 17 rookies and 14 second year men.

The list does not include six standout fledglings who were with the All Star squad — end Maurice Schleicher, Penn State; tackles Ken Beck, Texas A&M, and Mac Lewis, Iowa; quarterback Bill Stacey, Mississippi State; halfback Don Brown, Houston, and fullback Larry Hickman, Baylor.

By weaving veterans among the younger players, and making offensive and defensive shifts to best suit the material, Ivy has the makings of a possible contender after a 1958 last-place tie in the Eastern Conference. Although the Cards had a 2-9-1 record last season, they scored 261 points — outscored only by Cleveland's 302 in their division.

## Has Huge Tackle

Ivy is especially high on 6-6, 275-pound Ken Panfil, an offensive tackle and excellent blocker. He was in the player package the Los Angeles Rams gave to the Cards in exchange for halfback Ollie Matson.

Hub of the Cards' backfield is John David Crow at left half. The Texas A&M star played in only six games in his 1958 freshman year because of a knee injury. Now he is recovered and Ivy says:

"Crow is the kind of guy who has everything and can be one of the greatest in the league. We put him in a class with Jim Brown of Cleveland, Frank Gifford of the Giants and Jon Arnett of the Rams."

Ivy lists the quarterback spot as his biggest problem.

"We have four quarterbacks with good potential but one will have to come through and do an outstanding job," Ivy says.

The four are M. C. Reynolds, who in his first season last year helped produce near Cardinal records for pass completions, yards gained and touchdown passes; King Hill, bonus choice last year but sidelined most of the season with a groin injury; and rookies Huston Patton of Mississippi and Hunter Enis of Texas Christian.

Ivy said one of the main requisites for his players is a desire to play and that this squad has it. Also the club will make a fresh start in a new home — Soldier Field — after years in Comiskey Park.

Fairfield Little  
Leaguers Bow 8-7

The Fairfield Little League All-Stars collapsed in the late innings to drop an 8-7 decision to the Blue Ridge Summit League All-Stars Saturday on the winner's field.

Fairfield built up a 7-0 lead in the first five innings but Blue Ridge tied the count with seven runs in the sixth and then pushed over the winning tally in the last of the final inning.

# 16 LOSE LIVES ACCIDENTALLY OVER WEEKEND

By THE ASSOCIATED PRESS  
At least 16 persons were killed accidentally in Pennsylvania over the weekend, including a pilot and two small sisters he was taking for an airplane ride.

Eight persons died in highway accidents—four of them in a head-on auto collision and two others in a similar crash.

Five others—including three children—were killed in other accidents.

Mr. and Mrs. Daryl Westover, of North Spangler, Pa., watched in horror Sunday from a picnic spot as the plane carrying their daughters, Reba, 9, and Barbara Ann, 10, crashed in a corn field near Cherry Tree in Indiana County. Also killed was the pilot, William E. Goss, 35, of Hillside.

The four victims of the two-car crash near Cresson Sunday were Thomas Corbin, 41, of Lakewood, Calif.; his wife, Dorothy Mae, 36; her brother, Robert W. Briggs, 41, of Huntingdon, and Edwin L. Johnson, 28, of Nanty Glo.

C. Richard Miller, 19, and Mrs. Virginia Moberg, 40, both of York, were injured fatally Saturday in a head-on collision near York.

Miss Irene M. Fedor, 29, of Beaverdale, was killed Saturday night when her auto crashed into a bridge abutment on Route 869 in St. Michael.

An amusement ride known as "The Octopus" broke and plunged into the ground Saturday, killing Marjorie Wilson, 4, of Belleville.

Three-month-old Joseph Sipes Jr. of Philadelphia perished in an apartment fire Sunday.

And 13-month-old Douglas Klinger of Jonestown R. D. 1, was scalded to death Saturday in the kitchen sink of his home.

Elva D. Kiffer, 76, who lived in Kiffer Hill near Tionesta, stumbled in a field while carrying a .22-caliber rifle. The weapon discharged, killing him.

A fall down a flight of stairs Saturday proved fatal to Mrs. Anna V. Jordan, 72, of Avenel, N.J., during a visit at her daughter's home in Forest City.

Mrs. Sara E. Yoder, 40, of Boswell R. D. 1, was killed Sunday night in a two-car collision in Boswell.

The top money winning harness race driver in 1958 was William R. Haughton of Glen Head, N. Y. His winnings totaled \$816,659.

The last American League pitcher to win 25 games in a single season was Mel Parnell of

## O'Leary Named CWV Commander

PITTSBURGH (AP)—The Catholic War Veterans have elected Baltimore Attorney Robert T. O'Leary national commander to succeed Peter J. Hopkins of Yonkers, N. Y.

O'Leary was elected Saturday at the closing session of the group's annual convention here. Other officers elected were:

James Fay, New York City, first vice commander; Cyril M. Mahalik, Philadelphia, second vice commander; Albert J. Schwind, Clifton, N. J., third vice commander; Joseph Reilly, New York City, treasurer.

Also Henry Elnoff, Baltimore, adjutant general; Peter A. Galante, Philadelphia, judge advocate; Nicholas Nimetz, Newark, N. J., welfare officer; Arthur O'Hurley, South Norwalk, Conn.; historian; Joseph Stumpf, Baltimore, officer of the day; Dr. Leon Lammon, Akron, Ohio, medical officer; and Charles Shelley, Brooklyn, N. Y., and Isadore R. Mallin of Grand Rapids, Mich., as trustees.

SANTA MONICA, Calif. (AP)—Actress Ursula Thiess gave birth to a 7-pound, 4-ounce daughter Sunday night. She is the wife of actor Robert Taylor.

The child is their second. They have a son, Terrence, 3. The girl has been named Tessa.

## ADM. W. HALSEY DIES ON SUNDAY ON VACATION

FISHERS ISLAND, N. Y. (AP)—President Eisenhower led the nation today in mourning the death of Fleet Adm. William F. (Bull) Halsey.

Halsey, 76, died here Sunday of a heart attack while vacationing. He gained fame as the admiral who chased the Japanese fleet to its death in the Pacific in World War II.

Eisenhower, who heard the news of Halsey's death at Gettysburg, Pa., said he had lost a warm personal friend, and the nation one of its "great natural leaders."

"His great personal contribution to the successful campaigns in the Pacific and the exploits of the forces under his command are a brilliant part of American military history," said Eisenhower.

Secretary of the Navy William B. Franke said in Washington that Halsey "leaves a heritage of inspiration to those now in the Navy."

"Great Admiral"

Another great military figure of the Pacific war, Gen. Douglas MacArthur, said, "He was one of our greatest admirals, and his

## Desert Inn In Las Vegas Purchased

LAS VEGAS, Nev. (AP)—New York real estate investor Lawrence A. Wien has bought Wilbur Clark's Desert Inn in a deal involving more than 10 million dollars.

Clark and his associates will continue to manage the 200-acre property on an initial 20-year lease. He has subsequent options terminating in the year 2022.

Wien's group has real estate holdings valued at more than 600 million dollars, the hotel's publicity agent said. Earlier this year he acquired the Plaza Hotel in New York for 21 million dollars.

"When I had the 3rd Fleet, I had a tremendous steamroller," Halsey said. "I could do anything I damned pleased. But in those early days, I was scared to death all the time. The Japs had everything. They could have wiped us out."

"Telling Weapon"

His daring made the shoe string fleet a telling weapon. His motto was simple—"Hit hard, hit fast and hit often."

Only a few months after taking command, he led his forces deep into the Pacific for a strike at the Marshall and Gilbert islands, the first big naval offensive of the war.

Finally his forces gained control of the Pacific and in 1945, during a 35-day period, his command destroyed or damaged 2,804 enemy planes, sank or damaged 148 Japanese combat ships and sank or damaged 1,593 merchant ships.

He leaves his widow, a son, William F. Halsey III, and a daughter, Mrs. Preston L. Spruance.

HOUSTON, Tex. (AP)—Confederate veteran Walter Williams, critically ill for a week, remains "about the same," his daughter said Sunday night.

Williams, 116, last survivor of the Civil War armies, took some nourishment Sunday morning but none the rest of the day.

Dr. Russell Wolfe, Williams' physician, reported a week ago that the old soldier's death could be expected within days. An attack of pneumonia about six weeks ago left him in weakened condition.

POINT PLEASANT, N. J. (AP)—Susan Millstein, 19, was named Miss Seaford Princess Saturday.

In her first public pronouncement she said "I guess I should say I like fish but I just don't and I won't eat it. The only time I went fishing I fell into Silver Lake trying to make a cast."

## NEW O'KEEFE SHOW TO MAKE DEBUT SEPT. 22

By CHARLES MERCER  
NEW YORK (AP) — Television, in its quest for situations that lend themselves to comedy, finally has come to the case of a syndicated newspaper columnist.

Dennis O'Keefe is cast in the role of the columnist, Hal Towne. In a new situation comedy filmed weekly series that bows onto CBS-TV the night of Sept. 22 as "The Dennis O'Keefe Show."

Talk with O'Keefe for a while and you'll feel that it couldn't happen to a nicer guy. Why should a successful movie actor want to become a columnist?

"Because it's fun," says O'Keefe. "And we think a lot of other people are going to find it fun too."

As Hal Towne, O'Keefe not only will write six columns a week for his syndicate. He will face harassments (a crotchety boss, a sharp-tongued housekeeper played by Hope Emerson), responsibilities (his motherless 10-year-old son played by Ricky Korman), temptations (a beautiful lady press agent and various pretty girls). Nevertheless, he likes the job.

"Omnibus" Not Dead  
"Omnibus" insists it isn't dead, but only has slowed down for a time with the expectation of returning again.

The show produced by Robert Saudek Associates plans four "Omnibus" type productions on

## Flag Does Not Fly Over Post Office

PITTSBURGH (AP) — Failure to fly the American flag over a U. S. postoffice is a "national disgrace and an insult to our national emblem," says Justice Michael A. Musmanno of the State Supreme Court.

Musmanno made the statement in a telegram Sunday to the postmaster general.

Musmanno is fighting to have the flag flown over the Fairless Hills postoffice. Deed restrictions in Fairless Hills prohibit erection of flag poles and TV antennas on buildings.

The post office department is subject to the restriction in Fairless Hills because the post office is located in a rented building.

## Eastern League

By THE ASSOCIATED PRESS

Whatever became of the old game saving double plays?

The Springfield Giants pulled three of them off Sunday killing several Williamsport opportunities in a 5-3 victory over the Grays. The win moved second-place Springfield again to within a game and a half of the Eastern League leading Grays.

Binghamton defeated Albany 10-2 in the opener of a scheduled doubleheader. The second game was rained out.

There was no other league action.

Two Springfield errors and two hits opened the way for all three Williamsport runs in the first inning. The Grays threatened several times against Jim Myers (12-9), the winner, and reliever George Case. But the double play got the Giants out of trouble each time.

Chase Starter

Springfield picked up two runs in its half of the first, chasing the starter Dave Baldwin. The Giants added two more in the second off loser John Dewald (5-3). Ed Herstek opened the sixth with a home run for Springfield's final score.

Binghamton built up a 3-1 lead by the fifth inning then let the game with six more runs in the seventh as 11 players went to bat. Joe Arenivar and Richie Windle sparked the Binghamton attack by each getting two hits and driving in two runs. Bruce Swango, (2-2), who also collected two hits and drove in a run, was the winner. Stan Horvatin (7-9) absorbed the loss.

NBC-TV in the coming season. One will star Peter Ustinov in a still undecided program, says the network. But that was contracted for 16 months ago.

Lots Of Specials

It's surprising how many TV specials in the coming season will present familiar, tried and true entertainment vehicles.

Art Carney, who is doing six specials for NBC-TV, will star in "Our Town" Jan. 8. Jerry Lewis will star in "The Jazz Singer" and "Merton of the Movies" for the same network.
